Ha+

Life in two halves - in this world and another. in the center, and in the periphery. Somewhere between the lines. He collects images and looks for his own image. A half-human speaking a half-language.

Живот на половини - в този и онзи свят. В центъра и периферията. Някъде между редовете. Събира образи и търси образа си. Получовек. Полуезик.
